WASHINGTON CITY, Oct. 26.—The report of the Rock Island Board of Trade of Washington to examine work and materials of the unfinished cruisers Chicago, Boston and Atlanta, and to ascertain the fair market value thereof, in addition to a fair margin of profit upon the work, has been approved by the board. The board has appointed a panel of experts to make the examination. A full meeting of the advisory board has been called for Monday to consider the report of the panel of experts, which is to be held at the office of the Rock Island Board of Trade.

The board would state that it considers that the materials and work done on the ships are good and answer the requirements of the contract, and it advises that by expending the money which the board estimates as necessary to make the vessels complete and adapt them to the contract, the board will have at this time vessels up to character and quality to its expectations.

The board reports the fair market value of the Chicago at \$75,000; amount necessary to complete the vessel at \$10,000; total value of the vessel at \$85,000.

The board reports the fair market value of the Boston at \$75,000; amount necessary to complete the vessel at \$10,000; total value of the vessel at \$85,000.
